

COMMANDER™ TRAFFIC DRUM

Engineered for
durability and performance

Enhanced Material Formulation for Superior Reboundability & Durability

- Available in high and low density polyethylene
- Five tier design
- MASH Accepted, Meets MUTCD Standards

Extended Usable Life

Power Dome

- Handle and Dome interfuse creating strength
- thicker wall
- resists denting

Customize Your Drums →
· Name or logo molded in at our factory

Comfort Grip Handle

Tight Stacking & Packing

- Maximizes transport and storage space

Improved Tire Interlock

Tire Locking Ring Design

- Inhibits movement of drum on road surface
- wedge fit created from skirt ramp and elliptical shaped bottom
- Textured skirt increases friction and grabs tire
- Anti-roll design, flat sections on two sides

Revolutionary Light Folding

Light Mounting Design

- Light easily turns for stacking
